Any horse that qualifies for a final race that tests positive in the trial, elimination or qualifying race for that final, shall not be eligible to run in the final if the drug for which the horse tested positive would result in a disqualification once the adjudication process is complete. By signing this form, I acknowledge that this ineligibility to participate in the final is based solely on the result of the primary sample tested by the Arizona division of gaming, Department of racings contract laboratory and is not dependent on either a ruling issued by stewards or the result of any split sample analysis. In the event of a positive test that meets the criteria stated above, the horse that ran next in line by qualifying criteria shall advance.

Cualquier caballo que califique para una carrera final que tenga un resultado de dopaje positivo, en la carrera de clasificación o eliminatoria, no será elegible para correr en la carrera final. Esto a causa de la dopamina por la cual el caballo haya resultó positivo, una vez que el proceso y veredicto este completo daría lugar a una descalificación.

Al firmar este formulario, reconozco que esta inelegibilidad para participar en la carrera final se basa únicamente en el resultado de la muestra primaria analizada por la división de juegos de Arizona y el laboratorio contratado por el Departamento de Carreras, esto no dependerá en la decisión emitida por los administradores o el resultado de cualquier otro análisis separado. En el caso de un análisis positivo que cumpla con los criterios establecidos, anteriormente mencionados, el caballo que haya corrido segundo en línea avanzara.
